## **2. OBJECT AND DEFINITIONS**

RIMSA METAL TECHNOLOGY, S.A. (hereinafter the provider), owner of the domain [www.rimsa.com](http://www.rimsa.com) (hereinafter the website) makes this document available to users, with which it intends to comply with the obligations set forth in Law 34/2002, on Services of the Information Society and Electronic Commerce (hereinafter LSSI-CE) among other current regulations, as well as informing all users of the conditions of use of the website and privacy policy.

Any person accessing this website assumes the role of user, committing to the observance and rigorous compliance with the provisions set forth herein, as well as any other legal provision that may be applicable.

The provider reserves the right to modify any type of information that may appear on the website, without there being an obligation to pre-notify or inform users, meaning that publication on the provider's website is sufficient.

## **3. RESPONSABILITY**

In no case will RIMSA METAL TECHNOLOGY, SA, its suppliers or the other third parties mentioned on this website be liable for damages of any kind (including, among others, damages resulting from loss of profits, loss of data or business interruption) that resulting from the use, impossibility of use or the results of the use of this website, any website connected to it or the content or information contained in any of said websites, such liability being based on guarantee, contract, fault or negligence, or any other legal theory, and regardless of whether or not the possibility of such damages has been notified.

The information published on this website may not be exhaustive and may be subject to modifications. The provider does not assume the obligation to update the information contained on this website. The provider is exempt from any type of liability derived from the information published on its website, provided that this information has been manipulated or entered by a third party outside it. From the provider's website it is possible to be redirected to content from third-party websites and since the provider

cannot always control the content entered by third parties on their websites, the latter does not assume any responsibility for such content.

However, in compliance with the provisions of art. 11 and 16 of the LSSI-CE, the provider makes himself available to all users, authorities and security forces, and actively collaborates in the withdrawal or, where appropriate, blocking of all content that could affect or contravene the legislation. national, or international, third party rights or morals and public order. In the event that the user considers that there is any content on the website that could be susceptible to this classification, please notify the provider immediately through the contact information provided in the heading of this document.

#### **4. INTELLECTUAL AND INDUSTRIAL PROPERTY**

The website, including but not limited to; its programming, edition, compilation and other elements necessary for its operation, the designs, logos, text and / or graphics are the property of the provider or, where appropriate, have a license or express authorization from the authors. All the contents of the website are duly protected by intellectual and industrial property regulations, as well as registered in the corresponding public registers.

Total or partial reproduction, use, exploitation, distribution and commercialization, in any case, requires prior written authorization from the provider. Any use not previously authorized by the provider will be considered a serious breach of the author's intellectual or industrial property rights.

The designs, logos, text and / or graphics outside the provider and that may appear on the website, belong to their respective owners, being themselves responsible for any possible controversy that may arise regarding them. In any case, the provider has express and prior authorization from them.

The provider recognizes in favor of their owners the corresponding industrial and intellectual property rights, their mere mention or appearance on the website not implying the existence of any rights or responsibilities of the provider over them, nor endorsement, sponsorship or recommendation by of the same.

To make any type of observation regarding possible breaches of intellectual or industrial property rights, as well as any of the contents of the website, you can do so through the contact provided in the heading of this document.

#### **5. WEBSITE FUNCTIONALITY**

The provider's website may use cookies (small information files that the server sends to the computer of the person accessing the page) to carry out certain functions that are considered essential for the proper functioning and display of the site. The user accepts the use of cookies and IP tracking. Our site traffic analyzer uses cookies and IP tracking that allow us to collect data for statistical purposes such as: date of the first visit, number of times it was visited, date of the last visit, URL and domain from which it came, browser

used and screen resolution. However, the user can deactivate and / or delete these cookies by following the instructions of his Internet browser.

This website has been reviewed and tested for proper operation. In principle, correct operation can be guaranteed 365 days a year, 24 hours a day. However, the provider does not rule out the possibility that there are certain programming errors, or that force majeure, natural disasters, strikes, or similar circumstances may occur that make access to the website impossible.

The user guarantees that they will not access or interfere with this website using robots, spider, routine or any automatic or semi-automatic system to monitor, copy or download its content for any other unauthorized purpose.

The provider does not use spamming techniques and will only process the data that the user transmits through the electronic form enabled on this website or email messages.

## **6. PRIVACY POLICY**
